Lawson
SAFETY & CLAIMS MANAGEMENT

Lawson Risk Management Services (LRMS) is South Australia's leading provider in Self-Insurance, Workers Compensation Claims Management and Work Health and Safety services.

Being a proudly independent South Australian company, we are founded on trust, and built on reputation and service since 2003.

When partnering with Lawsons, we provide your organisation with "peace of mind" knowing your investment equates to:

- Fewer workplace injuries and health issues leading to improved employee satisfaction
- Compliant, more efficient safe work practices and procedures
- Improved workplace culture and staff morale
- Fewer lost time injuries
- Ability to demonstrate compliance when tendering for new business opportunities
- Minimises the risk for prosecutions and fines

At Lawsons, we specialise in providing advice and support in all aspects of:

Claims Management	<ul style="list-style-type: none"> • LRMS offer a unique claims management model • Outsourcing claims and administrative functions • LRMS currently manages a large number of the self-insurers claims portfolio's in South Australia
