

Information and application for Full Membership of SISA

Self Insurers of South Australia (SISA) is an incorporated association that represents the interests of, and provides services to, employers that hold self insured status under the South Australian *Workers Rehabilitation and Compensation Act 1986*. We represent around 70 of South Australia's largest private sector employers and the State public sector, totaling about 36% of the State's employment by remuneration.

SISA promotes best practice in work health and safety and return to work, and its objectives are to promote, develop and support the interests of its members in regard to self insurance.

SISA also provides information and advice to its members on legislative and regulatory matters, medical fees and schedules and matters of current interest. We provide a single voice when providing the views of self insurers to WorkCover SA, the State Government and Opposition. We also liaise with other stakeholder and provider representative organisations on behalf of our membership.

The Association has bi-monthly general meetings that allow members to network, share their experience and expertise, to discuss current issues and to exchange information and views. Each meeting has guest speakers who present relevant information in work health and safety and return to work and related disciplines.

SISA also provides training and holds seminars on topical issues.

SISA offers two types of membership, full and associate. Full membership is limited to organisations that actually hold self insured status. If your organisation is a self insurer, it is eligible for full membership.
