

## Information and application form for Associate Membership of SISA

Self Insurers of South Australia (SISA) is an incorporated association that represents the interests of, and provides services to, employers that hold self insured status under the South Australian *Return to Work Act 2014*. We represent around 70 of South Australia's largest private sector employers. Self-insurance generally represents about 36% of the State's employment by remuneration.

SISA promotes best practice in work health and safety and return to work, and its objectives are to promote, develop and support the interests of its members in regard to self insurance.

SISA also provides information and advice to its members on legislative and regulatory matters, medical fees and schedules and matters of current interest. We provide a single voice when providing the views of self insurers to ReturnToWorkSA, the State Government and Opposition. We also liaise with other stakeholder and provider representative organisations on behalf of our membership.

The Association has bi-monthly general meetings that allow members to network, share their experience and expertise, discuss current issues and exchange information and views. Each meeting has guest speakers who present relevant information in work health and safety and return to work and related disciplines.

SISA also provides training and holds seminars on topical issues.

Under the SISA Constitution, any organisation that:

- ▶ is eligible for, but has not yet obtained, self-insured status under the Act, or
- ▶ is a company or Government Department that provides services to exempt employers, or
- ▶ is listed on the Employer Location Schedule of an Employer that is a full member
- ▶ is deemed to be a self-insured employer under section 130 of the *Return to Work Act 2014* and whose liability at workers compensation is met from State General Revenue

can be invited to become an associate member of the Association by the Executive Committee. An associate member may attend all general meetings of the Association but does not have the right to vote.

Associate membership offers the full range of member services and benefits, as well as providing those companies that supply goods and services with a commercial presence in a potentially large market via sponsorship opportunities, presentations and website advertising.
