About You:

Are you a dedicated, compassionate and enthusiastic Senior Claims Consultant looking for an opportunity to join a fulfilling and supportive work environment focused on innovation, flexibility and responsiveness where you will be part of a supportive team delivering high quality care to the community? If so, then this could be the opportunity for you. This position will offer you professional growth opportunities within a supportive and inclusive culture.

In this role you will have strong interpersonal and communication skills which will enable you to successfully problem solve, resolve conflicts and negotiate, including the ability to engage in difficult conversations, whilst building and maintaining relationships. An ability to effectively manage multiple, diverse and competing priorities and demonstrated resilience within a stressful and complex environment is essential to this role.

About the Role:

An exciting opportunity is presented to work within the **Rural Support Service** as a Senior Claims Consultant, partnering with and supporting its six regional local health networks (LHNs).

The Senior Claims Consultant is accountable to the Director - Workforce, Safety & Culture through the Manager, Work Health & Safety and Injury Management. The Senior Claims Consultant co-ordinates and is accountable for, in consultation with the relevant Return to Work Consultant, the injury management program for specific regional LHN(s) to which they are aligned. The Senior Claims Consultant provides consultancy and services that influence the LHN to apply a positive, best practice culture for the management of work-related injury that complies with legislation, performance standards and accreditation standards.

In addition to the annual salary package we also offer salary sacrifice benefits, employer superannuation contributions and leave loading.

Appointment will be subject to a satisfactory Criminal History Check and appropriate immunisation requirements.

Check(s)

- DHS Working With Children Check (WWCC)
- National Police Certificate (NPC) for employment involving unsupervised contact with vulnerable groups required for this position (E.g. aged care employment or work involving vulnerable clients)

Immunisation Risk for this position is - Category C (Minimal patient contact)

SA Health Services are required to implement the [Addressing vaccine preventable disease: Occupational assessment, screening and vaccination policy](#) in the workplace.
