

General Practitioner's Specialist Service
Navigating Treatment Pathways

Specialist Opinion Services For General Practitioners & Injured Workers

GPS², has been established to link treating doctors and injured workers to a network of highly regarded local Specialists for best care management advice and guidance.

GPS² is a clinical support service aimed at providing GPs and workers with prompt guidance and support in the areas of diagnosis, best practice treatment, current work capacity and overall prognosis.

Presenters: Dr Dilip Kapur, **GPS² Pain Physician**

Dr Michael Schirripa, **GPS² Psychiatrist**

Michelle Carse, **General Manager SA**

Rosanna Conti, **National Quality Manager**

Date: Wednesday, 26th August 2015

Time: 8:30am until 10:30am

Where: Adelaide Pavillion, enter from corner of King William Street and South Terrace, Adelaide SA

Cost: **Free!**

We will cover the following:

- > What issue(s) are we trying to address?
- > What is the **GPS²** service and what it is not?
- > Why consider a **GPS²** opinion as a self-insurer?
- > How does it work and how can it work for self-insurers?
- > Who are the **GPS²** Specialists?
- > Q & A

A light morning tea will be provided.

To Register: Complete the registration form and email it to Michelle via contact@gps2.com.au by 19th August. If you require more information, please call Michelle on 1800 477 246.
