Dear Stakeholder

Feedback on the operation of the *Labour Hire Licensing Act 2018*

As required by section 53 of the *Labour Hire Licensing Act 2018* (the Act), my office is currently undertaking a review of the operation of labour hire legislation in South Australia (SA).

I am interested to hear your feedback regarding how the legislation is operating within your industry, particularly in light of the recent amendments that came into effect last year.

Given that the Commonwealth Government is currently in the process of developing a national labour hire registration scheme, it is anticipated that any comments received will also be greatly useful in informing the Commonwealth legislation, as we will be able to provide an indication of what is working well here in SA, as well as any areas of concern.

Once the review has been completed, a report will be tabled in Parliament by the Minister.

Please submit any feedback or comments that you may have to CBSReforms@sa.gov.au by Friday 11 June 2021.

Yours sincerely
